## Foreign Exchange "Yukie"

Foreign exchange student for the 1974-75 school year was Yukie Asano from Japan. She was chosen from an all girls school, and from hundreds of applicants. Yukie has proven to be a well liked person here at SHS. She is a warm and friendly person, which has added to the halls of our school.

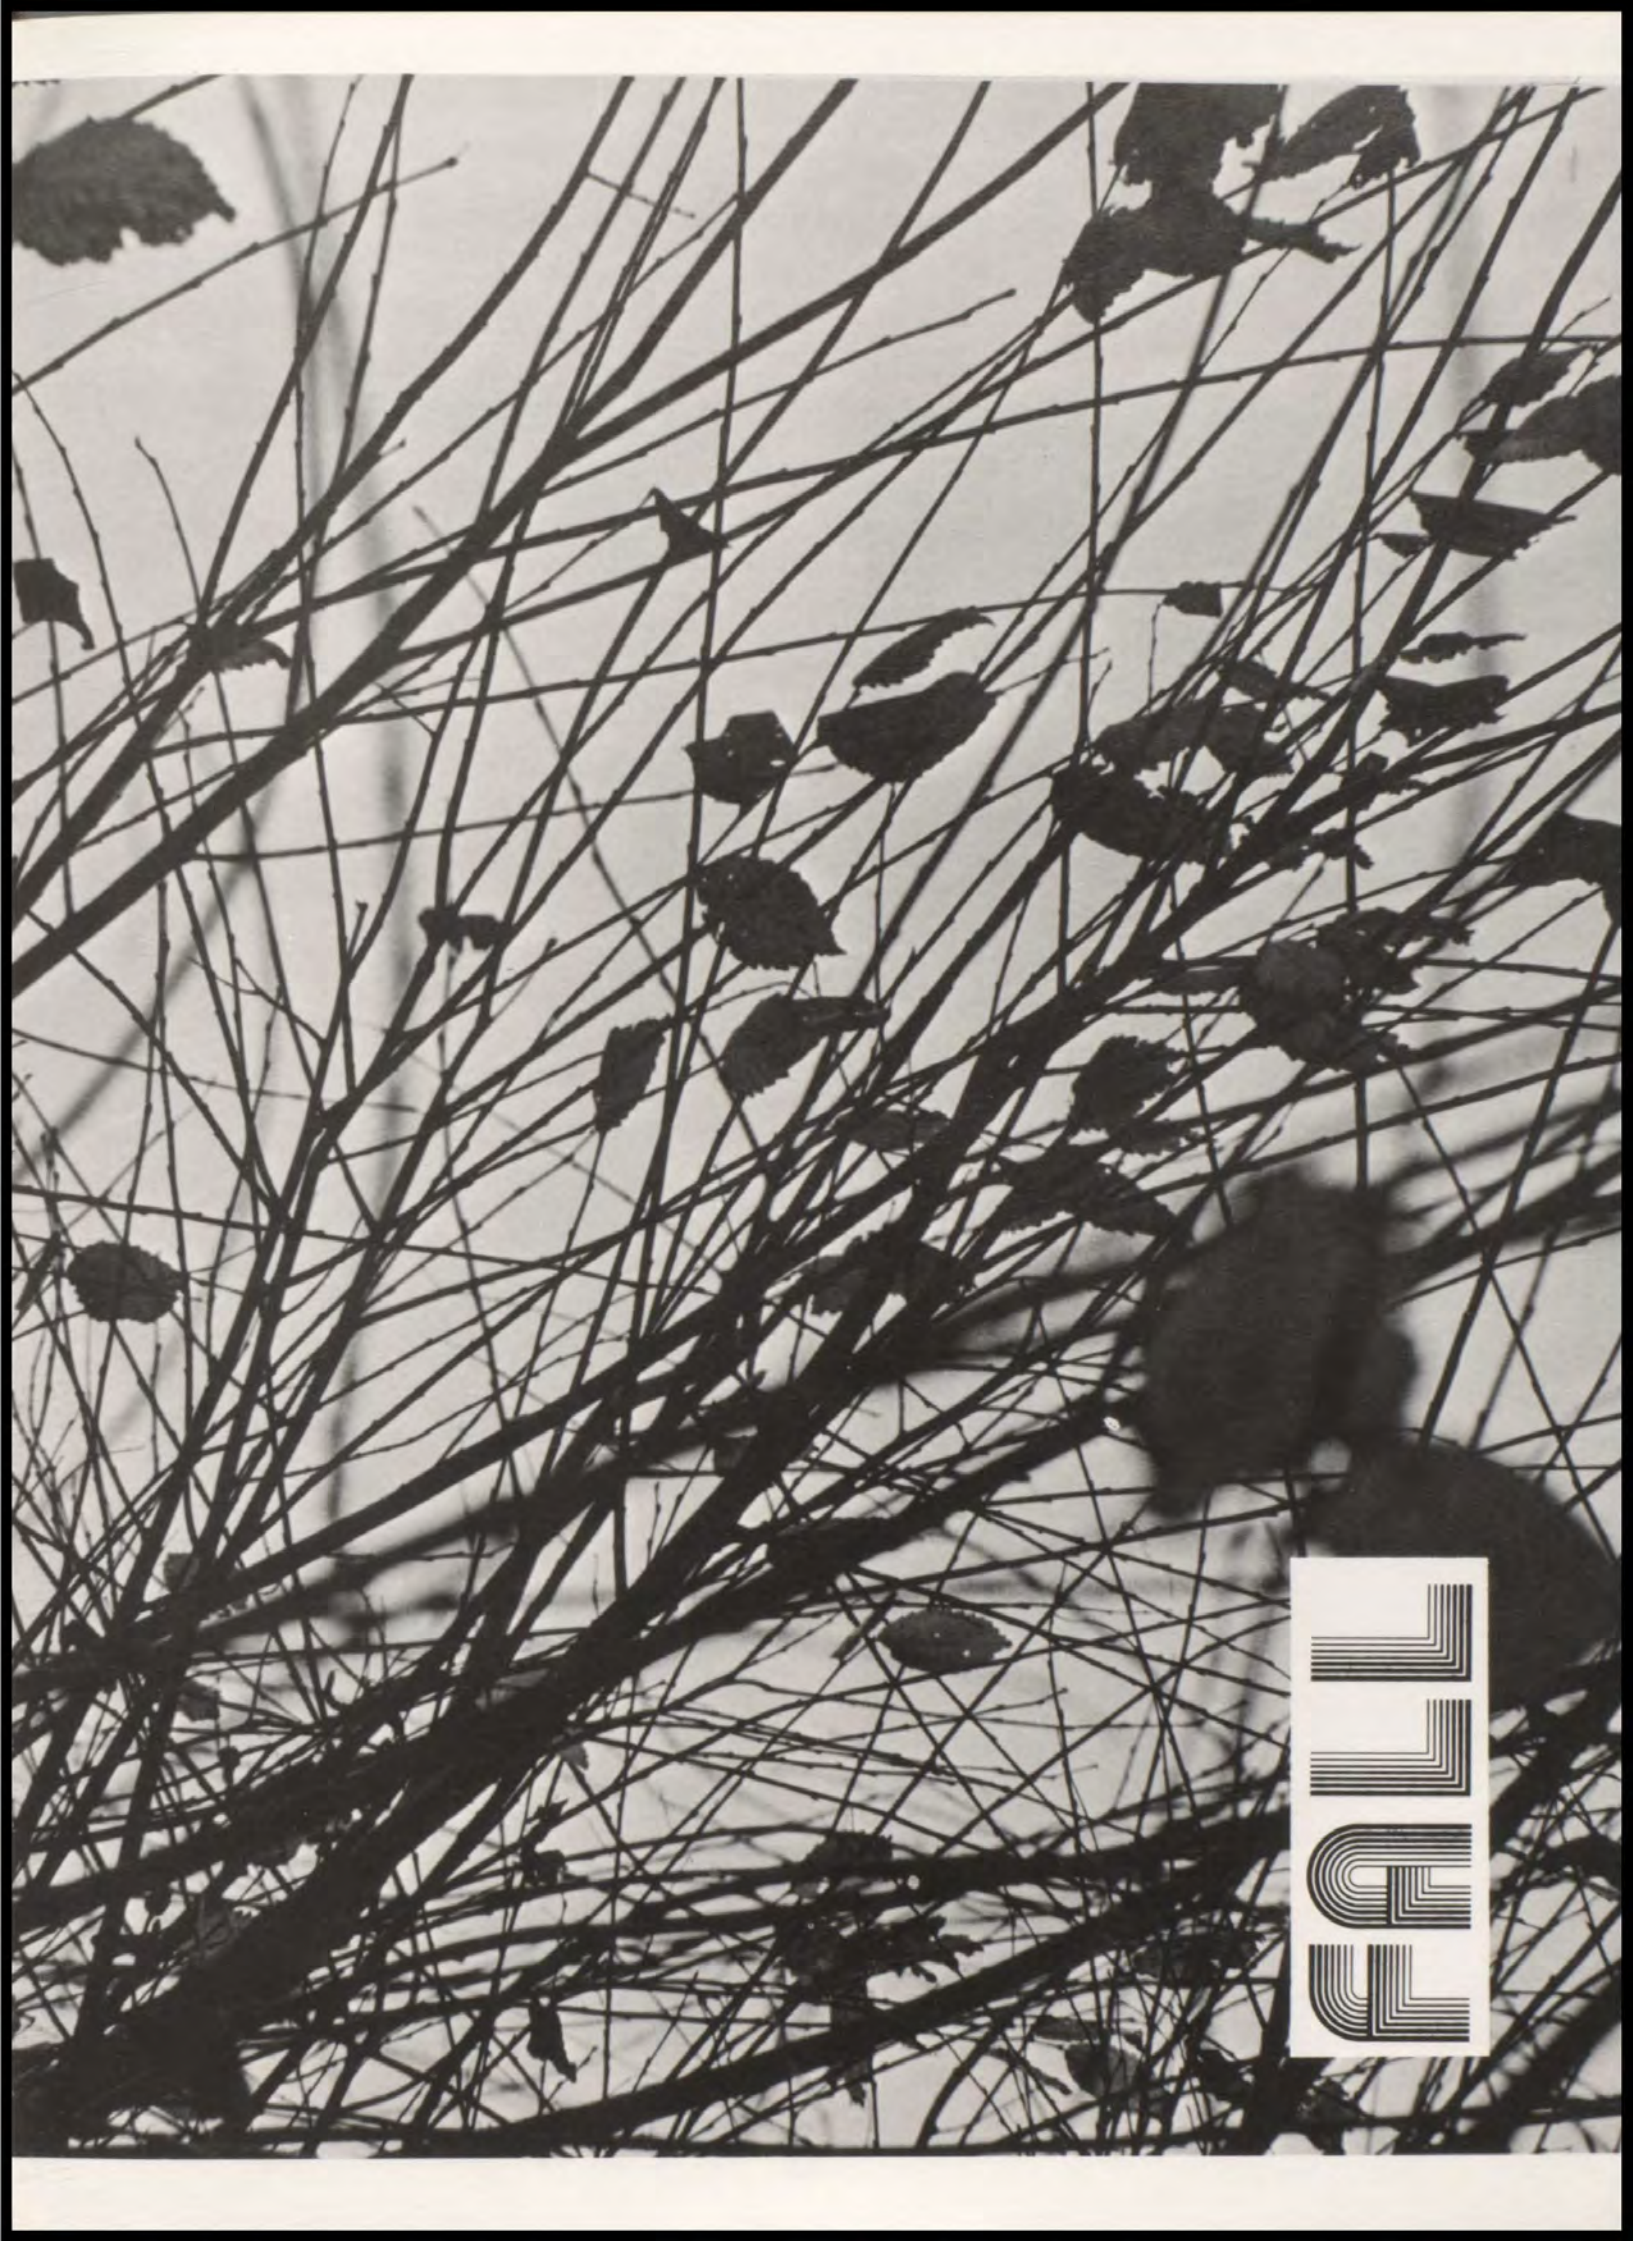

Yukie has enjoyed her stay here, and with the exception of missing family and friends wouldn't mind if she stayed longer. Thank you Yukie, and good luck.

Yukie shows her P.E. class how it's done. Yukie receives honorary Homecoming princess with a hug from Patty Blacketer. Karate Chop? Not hardly. Yukie played J.V. basketball for the girls this year.

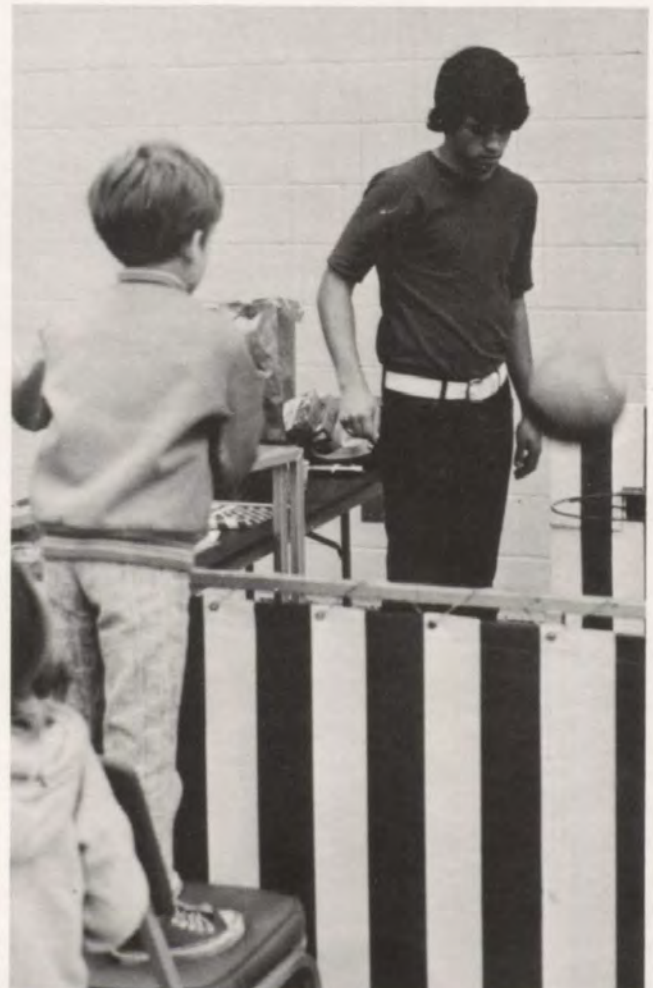

## First ASB Carnival Success!

The first annual Seaside High School Carnival came out smoothly and with any good comments from both community and students. Although not as much profit was made as we expected the suggestions for a better carnival could be a fantastic money making activity for future student councils. The booths took in a total of \$759.42 with expenses totaling \$320.61. Either a class or club was in charge of a booth and everyone seemed to enjoy the day. Even the faculty participated truly making it a SHS Carnival.

Pam Mizer brings in the business with a smile.  
Mitch Mooney Instructs a future Gull star.

Bruce Buzzell cracks a joke for Carla, Suzy, and Lisa. Cathy Carroll stays out of the way. Jim Norling finds the child's game amusing. Diane, Larry Elliott's daughter fishes for a prize.

## She Gulls Get Recognized

Although girls sports in Seaside are far from the thing to go see the girls are getting much more recognition. The varsity team finished in a four way tie for 1st this year. Practices were hard and everyone gained experience with the help of the cross country team who scrimaged with the girls for practice. Team ratings were constantly close and although many times points distant, vollies had been continued for several minutes. The season ended with happy memories for seniors and enthusiasm for next years Varsity players.

Irene Holland claps in approval. Leslie Demonstrates Spike form. Showing determination Janice bits the dust. Kim can't under stand why Bonnie and Cheryl just watch. Far Left. Linda socks it to em. Kim goes "Up Up and Away."

The Number of schools participating ran from 6 to 20. Often there was up to 130 runners competing in one race. With a young team all you can look forward to is improvement.

## Fall Harvest of Fashion

This years Fall Harvest of Fashion proved to be very successful with an estimated 127 people attending.

Between scenes entertainment was provided by Shorty's Swingers.

This years fashion show was sponsored by the Pep Club and under the direction of Christie Wakeman, chairman and Marion Greenough, Pep Club advisor.

Top Left; The slumber party was great crowd pleaser. Mary Jean models with a smile. Scott Finally gets out of his jeans. Seaside's football fans? Where's the excitement.

## Powder Puffers Held Scoreless

On October 19th at Broadway field, with a crisp and cold wind blowing the mighty Srs broke the tradition of Frieniors V.S. Junemores to challenge all underclassman to a rough and tumble game of flag football. The fans were kept laughing by both rally squads. There was seesaw action the first half so neither team gained an advantage. Thirty-eight females, four Sr. coaches, and eight brave males from all classes participated in this years event.

"Best Ever" were the words most used to describe this years Homecoming activities. For the first time at Seaside High all varsity fall sports chose the homecoming court. Girls receiving the honor were Jean Braun, Gail Mizar, And Kim Smith, who later was chosen 1974 Homecoming Queen. Honorary princess was our foreign exchange student Yucki Asano. The week began and ended with activities before, during and after school. The spirit was high all week and capturing the spirit cup from a close contest was the Sr. class. At the pep assembly Friday afternoon all participants of fall sports were presented with a blue carnation. The Thursday night bonfire although not the biggest was warm and contributed nicely to the involvement of a great Homecoming happening.

The only way to top off such a week would be a fantastic football game, and that's what Seaside Gulls did.

With high enthusiasm and the team playing at its best the Seagulls pulled a victory from the Tillamook Chessmakers with a 28-29 win. Following up the game was the highly attended Homecoming dance. The theme was "My Old School".

## Joint Effort Provides Spirit!

Far Right Top. Costume day brings out the army. Sr. Receives Spirit cup. Debbie and Doug at their best. Seaside's Towering Inferno. Princess Jean and Gail with Queen Kim. The Sr. mafia takes school spirit into their own hands. Alice or Chuck/ Oh the problems of going steady.

## Spirit Involves Everybody

At the dance our winning coaches presented with much pride our King football for this year. Scott Maltman and Steve Nantz both accepted the award. Some of the highlights of the week were the many games played by our high school students and faculty. Of course the Sr. did win most of the activities. The newlywed game, toothpick life saver race, water balloon toss, crawlathon and the tug of war were only a few of the fantastic happenings of a truly great Homecoming.

Far Top Right. Kim and Bonnie divide their pennies. Mike Hartman ask the way to the penthouse. The scramble begins. Cindy Harding and Debbie got caught in the till, Yukie gets her honorable crown. We'd rather swith than fight. Ceryl and Dcn recreate the 50s.

Because of turnout they practiced once a week with their own team. The other days of practice were with the varsity.

The JVs did a considerable amount of passing, completing several long bombs during the year. Considering all facts, it was surely a successful season.

# Team Unity Provides a Great Season!

Neal Maine along with the help of his assistant coach Jim Auld produced a winning attitude that was not usually found in high school football. Seaside is fortunate to have coaches that can get this kind of effort from their participants.

With the loss of only six Srs. the Gulls can expect a great year again, under great leadership.

Fierce hard hitting football was the name of the game for the Seagulls 1974 gridiron efforts. It was a fine season with a record of 6-3 and tremendous attitude shown by all those concerned. Opponents were consistently being sent home black, blue and badly battered.

The Gulls finished second in the COWAPA league by losing their final game to the Scappoose Indians. The highlight of the season was probably the fantastic win over the gritty Tillamook Chessmakers. A29-28 come from behind victory for our Gulls. Leading the honor parade for the Seagulls was Lee Wilson who beside getting first team end and linebacker, received all state honors.

# Super Seniors!

For three years we were inferior, always second class, continually exhorted to imitate the ways of our predecessors. But finally we're the Seniors. Freshman shake before us. Sophomores stand in awe. And even Juniors listen when we speak. And for the future, for the goal of any senior is getting out and into life. But the class of 75 just didn't leave we left proud of being ourselves.

# Journey's Begin

Memories light the corners of my mind misty water colored memories of the way we were. Scattered pictures of the smiles we left behind, smiles we gave to one another, of the way we were. Can it be that it was all so simple than, or will time rewrite every word, if we had the chance to do it all again, Tell me Would we? Could We? Memories may be beautiful and yet, what's to painful to remember, we simply chose to forget. So its the laughter, we will remember, whenever we remember, the way we were.

# Three Down!

The JR. class participated in the One Acts taking 1st place. They planned and organized the Jr. Sr. prom and worked in the all school Carnival. They had high participation in sports and spirit, and are summing up the last three years as exciting, fun filled and a learning experience.

The Drifting Sands has received two first place awards for excellence in nationwide newspaper contests against high schools of the same size.

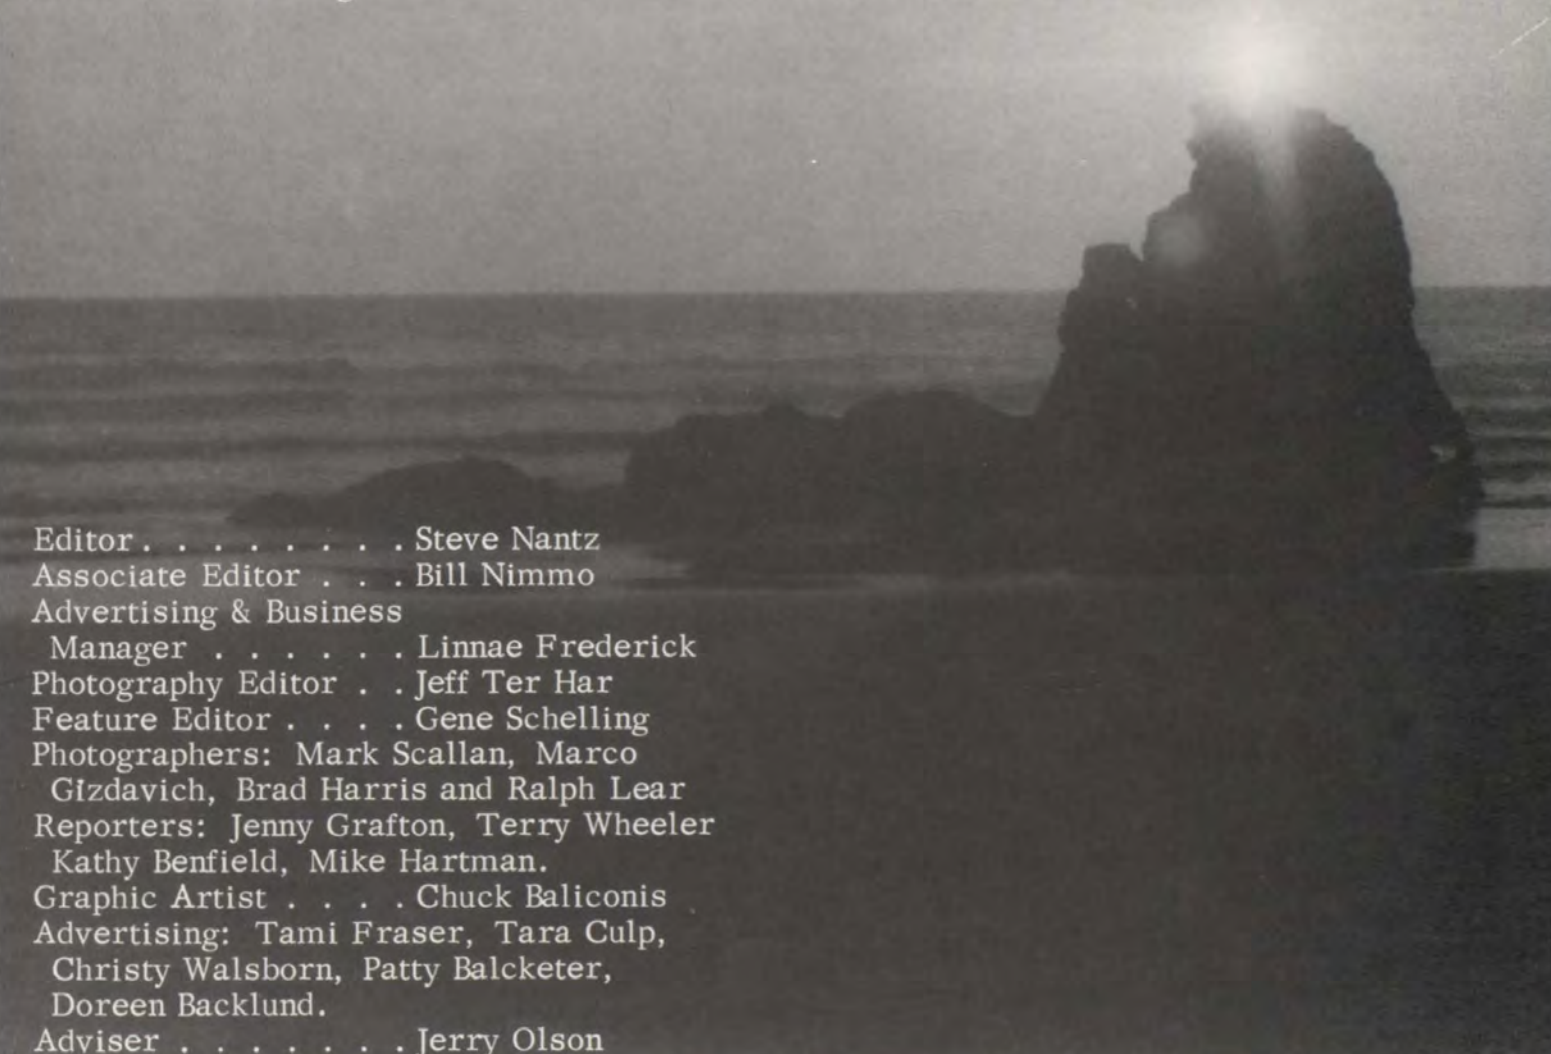

The paper received first place points in the printed publications category from the Columbia Scholastic Press Assn. in New York City, the largest newspaper evaluation contest in the United States. There were only two high schools in Oregon honored in SHS' category. There were over 1,500 entries in this 51st annual contest. The Drifting Sands also re-

ceived a third place award from the New York School of Printing for Newspaper Design and layout for schools with 500 or less pupils throughout the United States.

Two students were honored with regional first place awards for individual excellence in writing competition. Editor Steve Nantz was first in the

sports feature category in the 10-state region and Marco Gizdavich's photograph on an earlier front page of the Drifting Sands received a first place in feature photography.
